2013-02 -
2017-08

IT Support Technician

University Of Exeter, UK, Exeter, Devon

- Created help desk tickets, troubleshoot and resolved desktop issues.
- Patched software and installed new versions to eliminate security problems and protect data.
- Provided Tier 1 & 2 IT support to non-technical internal users through desk side support services and in person meetings.
- Interfaced with customers to explain operation and instill confidence in installed systems.

Education

2017-09 -
2020-06

Bachelor of Science: Computing For Games

First Class Honours, Falmouth University - Falmouth, UK
Course had a fun and successful teaching strategy that gave students the chance to work in multidisciplinary teams to create a game each year. This gave great initial experience for working in a team project environment, implementing agile practices throughout development.
